1. Introduction

This policy is one of a series of school policies that, taken together, are designed to form a comprehensive statement of the school's aspiration to provide an outstanding education for each of its students and of the mechanisms and procedures in place to achieve this. Accordingly, this policy should be read alongside these policies. In particular, it should be read in conjunction with the policies covering equality and diversity, Health and Safety, safeguarding and child protection.

All of these policies have been written, not simply to meet statutory and other requirements, but to enable and evidence the work that the whole school is undertaking to ensure the implementation of its core values:

While this current policy document may be referred to elsewhere in Abingdon House School, Purley (AHSPurley) documentation, including particulars of employment, it is non-contractual.

In the school's policies, unless the specific context requires otherwise, the word "parent" is used in terms of Section 576 of the Education Act 1996, which states that a 'parent', in relation to a child or young person, includes any person who is not a biological parent but who has parental responsibility, or who has care of the child. Department for Education guidance, Understanding and dealing with issues relating to parental responsibility, updated August 2023, considers a 'parent' to include:

- all biological parents, whether they are married or not
- any person who, although not a biological parent, has parental responsibility for a child or young person – this could be an adoptive parent, a step-parent, guardian or other relative
- any person who, although not a biological parent and does not have parental responsibility, has care of a child or young person

A person typically has care of a child or young person if they are the person with whom the child lives, either full or part-time, and who looks after the child, irrespective of what their biological or legal relationship is with the child.

The school contracts the services of third-party organisations to ensure regulatory compliance and implement best practices for:

- HR and Employment Law
- Health & Safety Guidance
- DBS Check processing
- Mandatory Safeguarding, Health & Safety, and other relevant training
- Data protection and GDPR guidance
- Specialist insurance cover

Where this policy refers to 'employees', the term refers to any individual who is classified as an employee or a worker, working with and on behalf of the school (including volunteers and contractors).

AHSP is committed to safeguarding and promoting the welfare of children and young people and expects all staff, volunteers, pupils and visitors to share this commitment.

All outcomes generated by this document must take account of and seek to contribute to safeguarding and promoting the welfare of children and young people at AHSP.

The policy documents of AHSP are revised and published periodically in good faith. They are inevitably subject to revision. On occasions a significant revision, although promulgated in school separately, may have to take effect before the scheduled re-publication of a set of policy documents. Care should therefore be taken to ensure, by consultation with the Senior Leadership Team, that the details of any policy document are still effectively current at a particular moment

2. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the statutory guidance on [Working together to improve school attendance](#) from the Department for Education (DfE). We aim to achieve this through our whole-school culture and ethos that values good attendance, which includes:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

3. Legislation and guidance

This policy is based on the DfE's statutory guidance on [Working together to improve school attendance](#) and [School attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- The [Equality Act 2010](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)
- [Ofsted's 2025 framework toolkit](#)

4. Role and responsibilities

4.1 The local governing board

The local governing board is responsible for:

- Setting high expectations of all school leaders, staff, pupils and parents/carers
- Making sure school leaders fulfil expectations, statutory duties, and comply with the law on school attendance, including:
 - Making sure the school records attendance accurately in the register, and shares the required information with the DfE and local authority
 - Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the school's policies and ethos
- Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the school has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with school leaders to set goals or areas of focus for attendance, and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils' needs

- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The school's legal requirements for keeping registers
 - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
- Holding the headteacher to account for the implementation of this policy

4.2 The headteacher

The headteacher is responsible for:

- The implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies
- Making sure all staff receive adequate training on attendance as part of the regular, continued professional development offer, so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The school's legal requirements for keeping registers
 - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
- Working with the parents/carers of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers
- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents/carers through all available channels
- Sharing information from the school register with the local authority, including:
 - Notifying the local authority when a pupil's name is added to or deleted from the school admission register outside of standard transition times
 - Providing the local authority with the details of pupils who fail to attend school regularly, or who have been marked with an unauthorised absence for a continuous period of 10 school days
 - Providing the local authority with the details of pupils who the school believes will miss 15 days consecutively or cumulatively because of sickness

4.3 The designated senior leader responsible for attendance (the Attendance champion')

The designated senior leader (also known as the 'Attendance Champion') is responsible for:

Attendance Champion – Rob Coppin – Assistant Head

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff

- Liaising with pupils, parents/carers and external agencies, where needed
- Building close and productive relationships with parents/carers to discuss and tackle attendance issues
- Creating intervention or reintegration plans in partnership with pupils and their parents/carers
- Delivering targeted intervention and support to pupils and families

The designated senior leader (senior attendance champion) responsible for attendance is Rob Coppin and can be contacted via email at robert.coppin@ahspurley.com.

Other responsibilities include;

- Monitoring and analysing attendance data (see section 9)
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the headteacher
- Working with education welfare officers to tackle persistent absence
- Advising the headteacher/deputy headteacher/ assistant headteacher (authorised by the headteacher) when to issue fixed-penalty notices

4.5 [Class teachers/form tutors]

[Class teachers/form tutors] are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the **correct codes (see Appendix 1)**, and submitting this information to the school office by 08:50am in the cas of form tutors while class teachers must submit this before the end of a lesson.

4.6 School office] staff

School office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the pastoral team where appropriate, in order to provide them with more detailed support on attendance

4.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e., live with and look after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school or email the absence (email: attendance@ahspurley.com) to report their child's absence before 08:50am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting the relevant member of staff (this may be the pastoral team, therapy team, DSL/ DDSL or form tutors).

4.8 Pupils

Pupils are expected to:

- Attend school every day, on time
- Attend every timetabled session, on time

5. Recording attendance

5.1 Attendance register

We will keep an electronic attendance register (in the Arbor MIS platform) and place all pupils on this register.

We will take our attendance register at the start of each morning session of each school day and once during each afternoon session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending a place other than school
- Absent
- Absent – unable to attend due to unavoidable causes

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made. The school day starts at 08.10 and ends at 15.10.

Pupils must arrive at school by 08:50 on each school day (unless they are on a previously arranged part timetable aimed at supporting a successful transition to school).

The register for the first session will be taken at 08:40 and will be kept open until 09:10. The register for the second session will be taken at 13:20 and will be kept open until 13:50.

5.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 08:50, or as soon as practically possible, by calling the school office staff, who can be contacted via email attendance@ahspurley.com or call 020 8092 2080.

A student is given a late mark if they arrive after 8:50 (to 9:09) and they are given an unauthorised mark if they arrive after 09.10am;

Where a student has not been registered by 09.15am and no parental communication has already been received then this will trigger a 'follow up call' which is made to parents by the Office staff. The reason for absence is established. If there is no answer, an email will be sent; in no response by 11:00am inform SLT;

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

If a child is absent due to mental health or dysregulation this will be put down as unauthorised. However, if this reason for absence is persistent (5 times) this will trigger the attendance team to make contact and start building a support plan.

Where there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

5.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

Where possible, the pupil should:

- Be out of school for the minimum amount of time necessary, and attend school before/after their appointment
- Wear school uniform to their appointment, to make it easier to return to school afterwards
- If a child has 10 consecutive unauthorised days off, the LA has to be informed.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. See section 6 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

A large percentage of our cohort come to us having been out of school for significant periods of time. Some students are on phased returns, gradual integration or part time tables. These will be established in advance.

4.5 Following up on unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact the other emergency contacts, notify the relevant Local Authority, notify social services if there is a safeguarding concern or contact the police.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary
- Where relevant, report the unexplained absence to the pupil's social worker and/or youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- This include an attendance support plan that documents that strategies that the school are taking to support students and their families back to full time education
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: issue a notice to improve, penalty notice or other legal intervention (see section 8 below), as appropriate

5.6 Reporting to parents

Adapt the following to explain when and how your school reports to parents on their child's attendance record. The DfE expects you to do this regularly.

The school will regularly inform parents (see the definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels via termly progress reports and at the yearly annual review meeting. A student's attendance will also be reported to the relevant Local Authority at the Annual Review, if the school is concerned or if requested.

6. Authorised absence

6.1 Approval for term-time absence

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance or regulated employment abroad
- Attending an interview for employment or for admission to another educational institution
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent.

We define 'exceptional circumstances' as;

Rare and unexpected circumstances which are unlikely to recur. Examples include:

- Medical emergencies
- Family emergencies (e.g. death of a relative)

Leave of absence will not be granted for a pupil to take part in a protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted via email to the school office team as soon as it is anticipated and, where possible, at least 2 weeks before the absence.. The headteacher may require evidence to support any request for leave of absence.

6.2 Other reasons for authorised absence

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 5.2 and 5.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart for religious observance
- Parent(s) travelling for occupational purposes – a pupil is a mobile child if their parent is travelling in the course of their trade or business and the pupil is travelling with them. In these circumstances, a pupil will be considered as a mobile child, provided they are of compulsory school age and have no fixed abode and whose parent is in a trade or business that requires them to travel from place to place
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

6.3 Absences from the school site (which are not classified as absences)

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings. These are not classified as absences. Reasons include (but are not limited to):

- Attending an off-site approved educational activity, sporting activity, visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending a provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

7. Strategies for promoting attendance

We want our pupils to succeed and develop their skills. To do this, pupils need to avoid missing lessons and days of school as much as possible. As a school, we want to reward high attendance and not just penalise pupils for poor attendance.

Attendance is regularly rewarded and recognised in assemblies and termly awards are given at the end of term celebration assemblies. This includes prizes, most commonly in the form of Amazon Gift Cards.

8. Supporting pupils with poor attendance

Our school will make use of the full range of support and potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

8.1 Attendance Support Plan

We use attendance Support Plans to support students with significant school absence or for those who join us having missed significant schooling at previous schools (most commonly those with an EBSA diagnosis). These students all have an Attendance Support Plan that is used to map a range of strategies that the school and families can use in a collaborative way to support the young person's attendance. Strategies include (but are not limited to);

- Phased returns and part timetables
- Dedicated members of staff to initially build relationships in settings away from the school site
- 1:1 support from a trusted adult
- Students can identify a safe space within the school.
- Other safe spaces that the students can identify

As we have so many referrals regarding students who have EBSA we are considering an EBSA pathway that brings together all of the relevant strategies and costs this effectively. We hope to have this fully in place for September 2027 so that we can better serve Local Authority needs and those of these students.

We may in some cases engage in an attendance contract with the students and their families. This is a formal written agreement between a parent and the school to address irregular attendance at school. An attendance contract is not legally binding, but it provides a more formal route where previous support has not worked or would not have been appropriate.

Parents cannot be compelled to enter an attendance contract, and the school cannot agree to an attendance contract in a parent's absence.

Where an attendance contract would be an appropriate form of support, the school will arrange a meeting with the parent to discuss how we can work in partnership to improve the pupil's attendance.

Where parents fail to comply with an agreed attendance contract, the school may seek an alternative course of action. In the first instance, this will include discussions with the parents to seek explanations and determine whether the attendance contract remains useful. Where there is further non-compliance following these discussions, the school may take further action.

8.2 Education supervision order

In cases where voluntary family help plans and attendance contracts have been unsuccessful, we may work with the local authority to issue an education supervision order. If an education supervision order is considered, the local authority will inform the parent(s) in writing and will set up a meeting. An education supervision order is a formal intervention, but **not** criminal prosecution.

An education supervision order initially lasts for 1 year, but it can be extended within the last 3 months for a period of up to 3 years at a time.

In cases where parents persistently fail to meet the directions given under the education supervision order, they may be liable to a fine of up to £1,000 upon conviction.

8.3 Notice to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support. A notice to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

It will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued, or prosecution considered, if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

8.4 Penalty notices

The headteacher (or a deputy or assistant headteacher, authorised by the headteacher), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, we will check with the local authority before doing so and send the local authority a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a first penalty notice, the parent must pay £80 within 21 days or £160 within 28 days.

If a second penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A third penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, are not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

9. Supporting pupils who are absent or returning to school

9.1 Pupils absent due to complex barriers to attendance

If the school becomes aware of barriers that relate to the pupil's needs, we will inform the local authority. We will use our multi-disciplinary approach to create our appropriate Attendance Support Plans.

9.2 Pupils absent due to mental or physical ill health

Our students often have significant mental health barriers in regards to their attendance at school. We will work with families and mental health practitioners to offer support and where appropriate alternative educational arrangements in order to best support a student's recovery and return to school.

Parents should consult the NHS guidance [Is my child too ill for school?](#) when deciding whether to keep their child home due to illness. We will share this guidance with parents, and provide support in understanding it, in order to promote school attendance wherever appropriate.

9.3 Pupils absent due to other barriers to attendance

These barriers may include:

- Having SEND
- Being disadvantaged
- Being known (or previously known) to children's social care
- Having other barriers to attendance (e.g. young carers)

All of these barriers will be addressed with personalised strategies via our individual Attendance Support Plans; any reasonable adjustments and/or interventions will be timely, appropriate, well-chosen and targeted.

Where a pupil has an education, health and care (EHC) plan and their attendance falls, the school will inform the local authority.

10. Attendance Monitoring

10.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) weekly, half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the local governing body.

10.2 Analysing attendance

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct a thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

10.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis

- Provide targeted support to the pupils we have identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 11.4 below)
- Provide regular attendance reports to form tutors and the pastoral team, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

10.4 Reducing persistent and severe absence

Persistent absence is when a pupil misses 10% or more of school, and severe absence is when a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - o Discuss attendance and engagement at school
 - o Listen and understand barriers to attendance
 - o Explain the help that is available
 - o Explain the potential consequences of, and sanctions for, persistent and severe absence
 - o Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Creation of individualised Attendance Support Plans that consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 7, above)
